

Complete Mom/Baby/Kid Collection Only from Journals Unlimited, Inc.

Discover the secret of the most successful line of journals by Journals Unlimited, Inc. Our trademarked prompts in each journal help you to capture memories, experiences, and special moments of mom and the kids during those precious growing years.

The Baby Care Journal and the Babysitter Pad help busy parents stay organized and our Kid Stuff Journal stimulates the mind of that special child while creating a priceless keepsake for the grown-ups who care. Journaling is definitely a good habit to get your young one started on.

Out of the Mouths of Babes lets you record all the cute, funny, and sometimes extremely embarrassing things that kids say. Write them down so you can laugh later.....sometimes much later.

Slip a Love Note in your child's lunch box to let them know you are thinking of them during the day!

With Maternity, Mom, Birthday, and Family Journals already in print, these new titles build a complete Mom/Baby/Kid collection of journals unlike anything else on the market.

Baby Care - My Baby Journal New Fall 2008

Baby Care – My Baby Journal
(7.5" x 9") 200 pages, \$19.95 retail

New parents rejoice!! This is the perfect journal for you to fill out or leave with your day care provider, so you have a record of baby's day. It helps busy (and tired) parents stay organized. First page is about baby (allergies, special needs, emergency contact info. / instructions, physicians name, etc.). Repeating page has space for caretakers name and has prompts to record how much / how often baby drank, ate, slept, and soiled their diaper. It has a place for medications given, and how baby spent his / her day and evening and what kind of a mood baby was in. You can write down baby's milestones and concerns to share with your doctor. We can't expect sleepless parents to remember all this stuff...just write it down! (Available in avocado color cover or natural kraft brown)
